

DAVID GROSSMANN

 OH BE JOYFUL
GALLERY
at Crested Butte

Silent as Falling Snow, 20 x 32, oil (featured on front and back cover)

David Grossmann's carefully considered, tranquil and sophisticated compositions focus on intimate experiences found in the landscape. His cohesive vision is apparent from a distance, while up close, his canvases reveal a layered, rich texturing that show his love of nature.

Travel and painting on location are both important to David's process. He lived in Chile before moving to Colorado, where a major source of inspiration are the aspen and wildflower filled mountains surrounding Crested Butte.

He shows incredible maturity and promise for an early career artist leading to many working artists adding David's paintings to their personal collections. He received additional recognition from his peers at the 2015 Coors Show where he was awarded the Artists' Choice Award.
