

WINTER 2020-21

OH BE JOYFUL
GALLERY
at Crested Butte

Nicholas Reti *A Brilliant Little Grove*, 9 x 12, oil

For all of your involvement through 2020, thank you!

In a time when art is more meaningful than ever, we found ourselves searching for artists that depict something not possible in reality. Art that embodies imagination and magic, or art that takes us into the peace of the wilderness, an animal's habitat, or faraway to the desert southwest.

We're excited to bring you new artists in 2021, including dreamy, weightless blown glass balloon animals by **Chris Ahalt** (opposite page), and cover artist **Nancy Boren's** brave and romantic figurative paintings. Also new this winter are **Alex & Kristi of Gothic Mountain Jewelers**, whose one-of-a-kind pieces inspired by a life lived in the mountains around Crested Butte.

When you find yourself craving art, check out a virtual gallery of our holiday exhibition at ohbejoyfulgallery.com in mid-December. From all of us at the gallery and our artists, we are energized and grateful to pursue what we are passionate about in such chaotic times. We hope you find joy in the art we've assembled for 2021.

Sincerely,
Nicholas Reti - Gallery Owner & Artist
