Tim Deibler

Filled with light and color, Tim's images evoke a sense of being in the Colorado mountains. Whether it's brilliant fall foliage, a shimmering mountain river, or a chilly winter day, Tim Deibler's familiarity with the Rocky Mountains is apparent in every canvas.

Tim lives under the Spanish Peaks of southern Colorado. A dedicated mentor and published instructor, he continues to inspire a generation of artists. His canvases are loosely painted in vivid colors. This show explores a multitude of colorful ideas including the last light of day, the soft purple tones of a winter sunset, and the sparkling landscape of freshly fallen snow.

Whether you are looking for a monumental piece celebrating Colorado's mountain landscapes or a small gem capturing the pastoral calm of a mountain ranch, Tim's latest series of paintings is sure to offer you much to explore.
