

WINTER 2021-22

 OH BE JOYFUL
GALLERY
at Crested Butte

After our most successful summer, we are excited to bring you a new, more diversified round of work from all of your favorite artists. The cover image by Leon Loughridge captures the spirit of place that is Colorado in winter.

Your enthusiasm for new artists led us to the addition of two new artists this winter - Hotchkiss jeweler Nancy Becker, who combines colorful turquoise with twists of silver twigs and tendrils, and Salt Lake City painter Mary Sinner, whose iconic images celebrate ski town culture and symbolism.

Our seventh annual Winter Catalog Exhibition opens November 20th, almost three weeks earlier than in the past. We encourage you to stop by the gallery to view the exhibition, or as always, shop our complete inventory online at ohbejoyfulgallery.com.
