

An impressionistic painting of a narrow street in Crested Butte, Colorado. The scene is viewed from behind two riders on horseback, who are wearing cowboy hats and riding away from the viewer. The street is flanked by tall, light-colored buildings with visible wooden siding and windows. The sky is a deep, dark blue, and the overall color palette is dominated by blues, purples, and earthy tones. The brushwork is thick and expressive, creating a sense of movement and atmosphere.

 OH BE JOYFUL
GALLERY
at Crested Butte

Another summer in Crested Butte is upon us. Snow is melting, wildflowers are blooming, and we're excited to share a lineup of group and solo exhibitions both from your gallery favorites, and brand new artists alike!

This catalog covers our show schedule for the first half of the summer season, be sure to check out the additional show listings for the second half of summer on the back inside cover.

We'll be sending out exhibition preview emails for each show five days prior to its opening. Previews will be the first opportunity to purchase, so if there's an artist or specific show you'd like to be on the preview list for, please let us know at cb@ohbejoyfulgallery.com and we'll make sure you don't miss out.
